PROJECT NAME: **Runway Safety Area Drainage Improvements Project and Associated Work at Hilton Head Island Airport, 120 Beach City Road, Hilton Head Island, South Carolina**

BID DATE: **May 13, 2009**

BID TIME: **3:00 PM (EST)**

BID NUMBER: **IFB No.: 2905 / 090560**

Sealed bids will be received by the Beaufort County Procurement Department at the office of:

Mr Dave Thomas, Procurement Director
Beaufort County
Beaufort Industrial Village
102 Burton Hill Road, Building 2
Beaufort, South Carolina 29906

until **3:00 P.M. EST, Wednesday, May 13, 2009**, for the Bid of the above stated project.

Bids will be publicly opened and read aloud starting at 3:00 p.m. or as soon thereafter as practical. Bids received after 3:00 p.m. on the date specified will not be considered and will be returned to the bidder unopened. Bids transmitted by facsimile are non-responsive and will not be considered.

Scope of Work: The project shall include construction of drainage improvements within the Runway Safety Area (RSA) beneath the aircraft approach to Runway 21 at the Hilton Head Island Airport (HXD). Drainage improvements include the replacement of a culvert pipe beneath Taxiway 'F' and the installation of sections of reinforced concrete pipe and the construction of a large junction box and headwalls within the RSA beyond the Runway. Associated work includes mobilization, implementation of the sediment and erosion control plan, the temporary closure of Taxiway 'F', necessary preparation of the project area, dewatering, pavement replacement and marking, site grading and restoration and demobilization. Taxiway closure shall be minimized and no interruption of airfield operation shall be permitted. Some work involving the use of excavators with booms which penetrate the airspace shall be done at night when commercial aircraft operations cease.

Disturbed areas shall be restored to their pre-project condition. No burning of debris shall be permitted. Debris shall be hauled off site and disposed of or recycled in accordance with applicable solid waste management laws.

The contract time for this project is fifty (50) calendar days. The culvert pipe beneath Taxiway 'F' must be replaced and the taxiway re-opened within four (4) days.

Complete examination and understanding of the drawings and specifications is necessary in order for the Bidder to properly submit a Bid. Bid Documents will be available for examination on **Monday, April 13, 2009**, and may be obtained from:

Ms Linda Dunn
Wilbur Smith Associates
Post Office Box 92
