

RESOLUTION

WHEREAS, the Beaufort County Council has authority to recommend State Transportation Improvement Projects (STIP) for Beaufort County; and

WHEREAS, there is \$7 million in funds available from cost under runs from STIP projects available for reallocation to other roadway construction and improvements projects in Beaufort County; and

WHEREAS, US Highway 278 is a major thoroughfare in southern Beaufort County that carries extensive volumes of daily traffic both local and commuter and is the only roadway access to Hilton Head Island; and

WHEREAS, future traffic volume growth forecasts for southern Beaufort County will overwhelm the existing US Highway 278 roadway; and

WHEREAS, Beaufort County currently has in progress active engineering design of widening projects for various locations on US Highway 278.

NOW, THEREFORE, BE IT RESOLVED, that the Beaufort County Council recommends to the LCOG Board of Directors that the \$7 million in cost under runs from STIP projects be reallocated for the improvements needed to US Highway 278.

Adopted this 24th day of September, 2001.

COUNTY COUNCIL OF BEAUFORT COUNTY
