How to File this FSA Claim Form

1. To be reimbursed with funds from your FSA, you must file an **FSA Claim Form**. Attach an Explanation of Benefits (EOB) to this **FSA Claim Form**. An EOB is mailed to you after we have processed a medical, dental or prescription drug claim.

In some cases, you may use an itemized bill or a cash receipt* from a service provider instead of an EOB. For example, if you purchase a hearing aid (not covered by the medical plans), you may attach the receipt from your hearing aid dealer to the **FSA Claim Form**.

*An itemized bill or cash receipt must include the following:

- a. Name and address of the provider
- b. Detailed statement of services rendered, with dates of services

For miscellaneous, over-the-counter purchases that are reimbursable from your medical FSA (such as contact lens solutions and non-prescription pain relievers), your store receipt will be accepted if the receipt provides the date, name of the retailer and a list of products purchased.

2. Please group all documents in order of the individual's name, and then by date of service.

Mail the completed **FSA Claim Form** with attachments (EOBs and/or itemized bills) to the address below.

3. Keep copies of all claims submitted. Documentation mailed with this claim form will not be returned.
4. You must submit all FSA claims by the last day of the specified run-off period of the following year for expenses incurred during the plan year. Check with your company's Human Resources department for the exact date your run-off period ends. Any money remaining in your account after the end of the plan year will be forfeited under Internal Revenue Service (IRS) guidelines.
