SC Works representatives are available in centers throughout the state to help veterans transition into the workforce. Veterans receive priority service in all SC Works centers.

Local Veteran Outreach Specialists and Disabled Veteran Outreach Specialists (DVOP) are trained to provide intensive, **priority** employment services to all veterans, including group and individual career coaching, job referrals, resume preparation help, career fairs and job search workshops, job training programs, and referrals to training services.

DEW is a proud supporter of Operation Palmetto Employment (OPE) which seeks to streamline the employment process for South Carolina's military community and reduce duplicated efforts of agencies and service providers to increase efficiency. DEW partners with the South Carolina National Guard to provide comprehensive statewide veterans' job placement services through OPE. Visit operationpalmettoemployment.sc.gov to locate a veteran's representative near you.
