New *Coastal Kingdom* Episode Features the Sandhills Habitats

A new episode of The County Channel's EMMY Award-winning nature series, ***Coastal Kingdom*** will premiere this Thursday, November 22 at 8 p.m. This episode features the Sandhills Habitats and some of the unique creatures who survive in dry, desert-like conditions. Segments include a look at Gopher Tortoises in the burrow and giant Indigo Snakes.

A ***Coastal Kingdom*** marathon will air directly following the new episode.

Coastal Kingdom is hosted by naturalist and educator Tony Mills of Spring Island and is a production partnership between [The LowCountry Institute](#) and [The County Channel](#).

Coastal Kingdom airs live Wednesday nights at 8 p.m., Saturdays at 12 noon and Sundays at 8 p.m. on Comcast channel 2, Hargray channels 9 and 113, and Spectrum channel 1304. Viewers can also watch programming live and on-demand at [The County Channel's website](#) at www.bcgov.net. ***Coastal Kingdom*** also airs on South Carolina ETV and the South Carolina Channel.

Here is [a brief clip](#) promoting the newest episode.
