Beaufort County to Discontinue Driveway Apron and Culvert Installation Service on County Roads

Beaufort County is discontinuing its driveway apron and culvert installation service previously performed for residents living on County roads. Starting immediately, Beaufort County residents applying for an [Encroachment Permit](#) from the County must follow [residential driveway standards](#) set by the [SC Department of Transportation \(SCDOT\)](#) and utilize a qualified contractor or perform the installation themselves. Residents should notify the County's Special Projects Engineer at least 24 hours before installation and also schedule an inspection for when the work is completed. Installation projects meeting all County requirements will receive final approval and a permit release.

For more information, call the Beaufort County Public Works Department at 843-255-2800.
